PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 03/13/2018.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5	<u>Mandatory Condition # 1:</u> You must not commit another federal, state or local crime.
---	---

Supporting Evidence: On March 5, 2018, supervision commenced in this matter. The U.S. Probation Office transported Richard Peone from the Spokane County Jail to the Spokane Residential Reentry Center (SRRC). That same day, a supervision intake was completed. Mr. Peone signed a copy of his judgment, acknowledging an understanding of the conditions imposed by the Court, which includes mandatory condition number 1, as noted above.

Mr. Peone violated the terms of his supervised release by being charged with providing false statements to law enforcement, a misdemeanor, in violation of Spokane Municipal Code 10.07.020, on or about March 14, 2018.

On March 14, 2018, the undersigned officer was contacted by the Spokane Police Department. They advised they contacted Mr. Peone that morning in the west-central neighborhood after receiving complaints that he was wandering around knocking on random doors. When Mr. Peone was questioned by law enforcement, he provided two separate false identities. As a result, Mr. Peone was arrested and charged with making a false statement.
